Investing in our communities!

INDEPENDENT
**RHONDA
HAMILTON**

DISTRICT AGENCIES ARE "FAILING" TOO MANY WASHINGTONIANS!

**Dr. Hamilton is ready to use her political will to overhaul
those DC systems that are not working!**

It's time 4 change DC! It's time 4 All DC citizens to gain access to a
government that is invested in the needs of the community.

Mayor Bowser has Failed:

- To protect District seniors from being "priced out" of the District.
- To provide comprehensive trauma, and mental health services for far too many Washingtonians.
- To properly fund and enforce efforts to address matters of Public Safety & Gun Violence..
- To properly fund community centers and community level youth & job programs.
- To protect Washingtonians from Slumlords by enforcing the law.
- To advance equity, & higher living standards for low-income, & poor families across DC.
- To provide accountability in mismanaging District tax payer money.
- To create proper, fair trade, bargaining, and sustainable solutions for District citizens and small businesses.
- To set higher standards for our children's safety, health, living, & learning environments.
- To aggressively invest in resources to end homelessness in the District.
- To take care of the community's needs above the developer's greed.
- To provide appropriate oversight & resolutions for the many District programs that are failing District citizens daily.

4 more years of Failed governing and leadership would harm more families across the city! "Write-in Rhonda Hamilton 4 DC Mayor! It's time that we address our city's shortcomings, and begin to take care of our own! #IAMDC!
